Reynolds and Reynolds / Print & HTML Artist

JULY 2014 - JANUARY 2020, CELINA, OHIO

Responsible for the creation, editing and maintenance of all client marketing materials. Contributed the development of a new HTML Email Campaign service in 2015. Responsibilities included:

- Achieve consistent 24-hour or less turnaround times for proofs.
- Maintain brand identity for a diverse pool of clients across the country and internationally.
- Keep abreast of current design trends, best practices, and copyright laws to uplift and protect client interests.
- Build and maintain HTML email communications. Ensure communications adhere to anti-spam laws and guidelines. Maximize deliver-ability and accessibility across email platforms.
- Prepare files for print production and digital use.

Troy Hayner Cultural Center / Intern

MAY 2013 - AUGUST 2013, TROY, OHIO

Assisted the Exhibit and Event Coordinator with a variety of projects including installing exhibits, designing event marketing materials, and digitally cataloging the center's permanent collection.

Education

Ohio State University / Full Stack Web Development Certificate

DECEMBER 2020 - JULY 2021, COLUMBUS, OHIO

Studying full stack web development with a focus on Javascript. Current technology skills include React, Node, Express, Git and Github.

Bowling Green State University / Bachelor of Fine Arts

AUGUST 2011 - MAY 2014, BOWLING GREEN, OHIO

Studied Printmaking, Painting & Drawing. GPA of 3.8. Served as Vice President of the BGSU Print Society in 2014. Member of BGSU Print Society and 2D Artist's Association from 2011-2014.
